

## Immanuel Lutheran School Electronic Device Policy

### ***This is a No Warning Policy.***

Electronic devices such as Kindles, iPods, iPads, and smart phones have become a valuable learning tool in the classroom. While they are an integral part, rules pertaining to their use are very important to preserve their integrity and usefulness in the classroom. ***Our electronic use policy is a No Warning policy.*** This assumes that all students and parents have received and read the electronic use policy and are prepared to adhere to it.

Immanuel Lutheran's Electronic Device Policy is as follows:

Immanuel Lutheran students are to have electronic devices turned off during the school day. ***Electronics are to remain off and locked in the student's locker unless permitted by a teacher.*** If a student is found with his/her electronic device on, it will be taken from the student and held in the school office until a parent can pick it up. Again, ***this is a No Warning policy.*** If a student is found in possession of an electronic device outside of the classroom or without teacher permission, it will be taken away.

Kindles, iPads, Nooks, iPods, smart phones, etc. are to be used for classroom learning purposes only. Students are allowed to use them as their classroom teacher permits. Games are not to be played on electronic devices, unless permitted by the teacher. If a student is found using his/her electronic device against our policy, the device will be confiscated and held in the school office until a parent can pick it up.

**If a student violates this policy two times, a detention will be given to the student.**

Please sign below to indicate that you have read and understand our electronic use policy. Return this signed copy to your child's homeroom teacher. An additional copy of the policy will be given to each student upon receiving the signed copy. ***Electronic devices will not be allowed until this form has been turned in.***

I have read and agree to comply with Immanuel's Electronic Use Policy. I understand that I/my child will have the device taken away if he/she is non-compliant and a parent needs to pick up the device from the office. Furthermore, I understand that if this policy is violated two times, I (my child) will be serving a detention.
